## COURSEWORK DEADLINES

**Interim** – These are set by the department to enable progress to be monitored. They provide an opportunity to submit a draft of the coursework in order to obtain guidance on how to develop the work. If, without good reason, the deadline is not met a letter will be sent to parents, jointly from the Head of Department and the Head, stating the opportunity to receive detailed feedback at this stage has been lost.

**Final** – This is the date when submission of the completed coursework is required. If this deadline is not met, then the pupil/student and their parents will have to attend a meeting with the Head. The matter will be treated as a serious disciplinary issue. The coursework may have to be submitted incomplete or, in the most serious case, unmarked.
